**Arms and ammunition\***

Shooters from Denmark, Finland and Norway have to declare their weapons and ammunition to Swedish Customs before travelling to Sweden. This service can be found at Swedish customs website: <https://tid.tullverket.se/svd/>.

Shooters from other countries must have a special police permit to bring weapons and ammunition in and out of Sweden. The application form can be found on our homepage, see link at the end of this invitation.

There is a Police service fee of EUR 80 for each firearm owner.

The organizing committee will request these permits and will advance the fees\*.

**Important:** 1. Scan the signed firearm import application form as well as **your European Firearms Pass (EFP)** and send them both by e-mail to us.

2. The signed original of the firearm import application form should be sent to us by postal service, see our address below.
